2020-C-1

Metal: Nickel / Enamelled
Dimensions: 40 * 76 mm
Rim: Plain
Edge: Plain
Maker: www.geocoins.nz
Mintage: 70

Obverse: A highly detailed and accurate 8 level contour map of the 3 main islands of Aotearoa, which rise out of the surface of the coin, as they do out of the sea ... they are Te Ika a Maui (North Island), Te Wai Pounamu (South Island), and Rakiura (Stewart Island) in the far south ... surrounding the islands is a precisely detailed bathymetry of the neighbouring Pacific Ocean to the east and the Tasman Sea to the west as the sea floor disappears into the depths

Reverse: This is the "V1 - Nickel" edition of the coin, with a satin silver finish and featuring solid red and white colours on the flag on the back of the coin ... incorporates icons of New Zealand culture and kiwiana hovering over an intricate New Zealand flora-inspired background pattern, and embedded into an accurately dimensioned representation of the nation's flag

In top left quadrant British Union Jack ... below inscr across **Aotearoa** and below serial number box with Koruru (mask) to L and sheep to R and below inscr across **TRACK AT GEOCACHING.COM** ... inscr vertically in the centre **New Zealand** and on right hand edge **LAND OF THE LONG WHITE CLOUD** ... between these vertical texts and amongst the four stars of the flag, are inscr across **Te Wai Pounamu** and **Te Ika a | Maui** and at the bottom **GODZONE** all surrounded by kiwiana: buzzy bee, kiwifruit, coiled young fern bud, silver fern and kiwi

See www.tuiaeducation.org.nz/pokai-whenua for full details of the geotour and its caches

Pōkai Whenua GeoTour launches on 1 February 2021 and ends on 1 February 2023

Isolated for millions of years, Aotearoa New Zealand developed into a beautiful archipelago with beaches, rivers and lakes, mountains, and plains ... unique animals and plants made this land home ... a land rich in resources

Over the past thousand years, fearless human exploration sought understanding and knowledge of the new land ... with settlement came impacts

Follow in the footsteps of early explorers of Aotearoa taking you to places where leaders of the past searched for food, resources, and ways to adapt and survive ... let Pōkai Whenua become your classroom as you explore the stories of the past, in the present, to preserve what is unique in Aotearoa New Zealand for the future

Start your exploration today ...

Note: Te Punga a Māui / Stewart Island (the anchor of Māui)

Māui, one of the great explorers, possessed many powers

Using the knowledge of stars passed on to him from his ancestors, Māui navigated his way across Te Moananui-a-Kiwa to Aotearoa ... over hundreds of years many stories have been told to recall his remarkable discovery

The record of this triumph is recorded in our history in the naming of the Te Ika a Māui (North Island), Te Waka a Māui (South Island) and Te Punga a Māui (Stewart Island)
